## Career Summary

I am a passionate and curious developer currently pursuing a **BE in Computer Science and Engineering (Cyber Security)** at Sri Krishna College of Engineering and Technology (2024–2028). A quick learner and strong team player, I focus on building secure, scalable, and efficient solutions. I thrive in both **full-stack development** and **cybersecurity**, and I constantly explore how systems interact to create secure, impactful technology.

## Technical Skills

**Frontend:** HTML, CSS, JavaScript, React, Flutter
**Backend:** Java (Spring Boot), Node.js, Express.js
**Databases:** MySQL, PostgreSQL, MongoDB

**Programming Languages:** C++, Java, Python
**Other Tools:** Git, Linux, REST APIs, Networking Basics

## Projects

### Student Course Registration System

Developed a full-stack student portal to manage course enrollments using HTML, CSS, and JavaScript for frontend and Spring Boot + MySQL for backend.

**KK Café App**

Built a mobile app for an emerging startup using Flutter (frontend) with Spring Boot and PostgreSQL backend integration for smooth order and data management.

## Education

**BE CSE (Cyber Security)**

Sri Krishna College of Engineering and Technology, Coimbatore
2024 – 2028

## Certifications & Achievements

Infosys Certified in HTML, CSS, and JavaScript (Web Development)

Amazon (Coursera) Full Stack Development using Spring Boot

Google Cybersecurity Certification (Coursera)

Participated in "Binary Exploitation" at PSG Kriya Event

Participated in "Rootforwar" Cybersecurity Event at PSNA College

Infosys Networking Certificate – System & Network Understanding

Operating Systems Certificate – System Functioning Fundamentals
